

Bluebonnet School Summer Day Camp

I can!

We empower children to learn more about the world around them. Their days at Bluebonnet will be full and fun with field sports, water play, playground time to enhance physical fitness, while increasing their knowledge of sports skills, outdoor games and encouraging cooperative play, gardening and playground time. Cool and fun times will be had at Bluebonnet's pool and waterpark. In their small groups children will be provided time to express their thoughts through journaling, as well as being creative through art and science activities and reading stories.

Amazing Earth

June 9 - June 20. (Two Weeks. Payment due May 1)

A look at the wide range of landforms across the world gives campers a feel for our amazingly diverse earth. The field trip destination for this session is the Lady Bird Johnson Wild Flower Center.

Crazy Creatures

June 23 - July 11 (Three Weeks. July 4 is a holiday.

Payment due May 1)

The focus of this session is on the amazing animals with which we share our world. We will look at animals and insects native to our area, which even still inhabit our Texas countryside and suburban areas and enjoy a visit from the Capital of Texas Zoo and we will go to Austin Science and Nature Center.

Our Ecosystem

July 14 - July 25 (Two Weeks. Payment due June 1)

Our central Texas area is a unique group of ecological systems. We explore how to be friendly to our environment and protect these ecosystems. Focusing on the natural wild areas around us, we will have an expert in survival skills teach us about how to take care of ourselves in the natural areas and a visit to a recycling center.

Power of Nature

July 28 - August 8. (Two Weeks. Payment due June 1)

Natural weather and geological events are fascinating to learn about. Benefits of sunshine and rain, and even how lightning, snow and ice occur will be studied. The swing between drought and flood, and even hurricanes, tornadoes, tsunamis, earthquakes and volcanos will be covered. Mad Science will visit us with interesting weather-related experiments.

WONDERS OF THE WORLD

August 11 - August 22. (Two Weeks. Payment Due July 1)

Campers will hear stories about the Ancient Wonders of the World: the Great Pyramid of Giza, the Hanging Gardens of Babylon, the Statue of Zeus at Olympia the Colosseum in Rome, Machu Picchu in Peru and the Great Wall of China. Campers will be entertained by stories of Greek myths from a professional storyteller and enjoy a field trip to a local historical site.

Application Form

(Return This Portion to Us)

Send or bring this application form with your payment.

Name of Child _____ Birthdate _____

Child's address _____
No. & Street, Apt. # _____

City _____ State _____ Zip _____

Name of Parent or Guardian _____

Tele. (home) _____ (work) _____ (cell) _____

My child is enrolled in (school) _____ and has just completed _____ grade. The telephone of the school is _____. My child's immunizations are current and the records are on file at this school. My child has been screened for vision and hearing and these records are also on file at this school.

Bluebonnet 2008 Summer Day Camp Highlights

- **Waterplay** every day is offered on our own exciting water park or in our own swimming pool.
- **Field trips** will take us to interesting places and we'll have camp visitors, such as a magician, a story teller and Mad Science to spark children's imaginations.
- **Small groups** of children are divided by age and led by mature, experienced counselors.
- **Lunch and snacks are prepared** and served by our own chef.
- **Two and three-week** sessions give families flexibility to plan their summers.
- **Sports & games** are part of our daily routine. Children are given instruction in soccer, baseball, badminton, and even croquet skills.
- **Internet viewing** of camp activity rooms is free of charge to parents.
- **Swimming lessons** are offered on site and are taught by a Red Cross certified instructor.
- **Accredited** by two separate national organizations programs. Bluebonnet is the only facility in Texas currently accredited by both.
- **Tutoring** will be offered to campers in two core areas: reading skills and math skills.

Why is an NAEYC accredited program a better choice for your child?

In an NAEYC accredited facility, parents will see frequent, warm interactions between teachers and children, smaller group sizes, well-trained teachers, regular two-way communication with families, nutritious meals and effective administration.

What does it mean when a facility is licensed by the TX Dept. of Family and Protective Services?

A facility licensed by TX Dept. of Family and Protective Services must carefully follow its 256-page rulebook Minimum Standards for Child Care Centers, addressing rigorous sanitation, health, safety, group size, and teacher qualification and administration issues. Your child is safer in a facility regulated by TDFPS. Parents should ask who regulates their child's summer camp.
